

Follow these simple steps to help make our fundraiser a HUGE success!

1. At our fundraising website, click “DONATE & SAVE” and follow the prompts to make a donation of \$10. We prefer a series of six \$10 donations since you will invite donors to do the same [Prompts: \$10, Monthly, Interval Two (2) Months, Limit of Six (6)].

2. After donating, return to the website and click the “Invite a Friend” link to easily invite five friends or relatives to enjoy the benefits of our discount codes!

3. Click on the “**Restaurant Gift Certificate**” link (yellow arrow) to learn how you can purchase a \$25 certificate for \$5 or less using the discount codes found on our network.
4. Finally, call your friends to let them know you invited them to see our website and the great discounts that are available from our 2,000+ discount merchants when they have one of our special discount codes. They may also invite friends.
